

May 21, 2007

Dear Tennessee Titans' Fan:

It is time again for the extraordinary ***“Talk with the Titans”*** Dinners hosted by John McClain and George Plaster benefiting The Charles Davis Foundation. We are extremely grateful for the support of the Titans' organization, 104.5 The Zone, and the Loews Vanderbilt Hotel for allowing us this opportunity to make a positive difference in the lives of inner city youth.

We are extending to you an invitation **to reserve a seat early**. The cost of a ***“Talk with the Titans”*** Dinner is \$300 per person. We are so excited that Vince Young along with his Agent, Major Adams is returning for a 2nd season as John's guest. Joining our 2007 lineup are Senior Executive Vice President, Steve Underwood, Executive Vice President of Administration & Facilities, Don MacLachlan and Mike Reinfeldt, the Executive Vice President & General Manager of the Tennessee Titans. We are especially grateful to Coach Fisher and his Coaching Staff for participating again in our ***“Talk with the Titans' Dinners”***. Loews Vanderbilt will be hosting our event this year. Loews has been very gracious to CDF and we know that you will enjoy their hospitality on these evenings. (**Free Parking in the Loews Parking Garage**)

We are offering a ***“Titans Dinner Package”*** for all you hard core Titans' fans. You may reserve ***“Two Nights”*** for a cost of \$500 per person. This ***“Package”*** is only for those that wish to come more than one night. Please inform us of your plans by **June 6**. After that date reservations will be open to the general public. You are getting the opportunity to reserve your spot early. Autographed items will be available for purchase with a donation at the Dinners. ***As always we request no autographs***. A picture will be taken and provided for our guests with the evenings VIP's. You may call 254-0396, e-mail at cdfoffice@aol.com, fax to 256-7226, or mail your reply in the enclosed envelope.

Please indicate your choice(s) and number in your party. Make checks payable to CDF.
